CRANBERRY TWP – A 12 year old Butler boy has made the Make-A-Wish Foundation aware of his lifelong dream to someday visit Hawaii. The area chapter of M-A-W has teamed up with area chiropractor Shawn Finn, D.C. and his practice Finn Chiropractic Group. The Seven Fields/Cranberry Twp clinic is holding a luau on April 28<sup>th</sup> in Dylan's honor. The luau will take place at the clinic's Seven Fields location and Dr. Finn has pledged that all proceeds collected that day for new patient exams will be pledged to help make Dylan's wish possible. A portion of office visits will also be donated.

Dr. Finn said, "The staff enjoys giving back to the community that we have been a part of for 13 years. We have all rallied around Dylan's wish. We are honored to partner with such an awesome organization as Make-A-Wish. They truly do make dreams come true."

Finn Chiropractic Group is encouraging existing patients to come in on the 28<sup>th</sup> to get their treatments and a portion will be donated to M-A-W. All proceeds from new patient appointments the clinic collects on that day will be pledged as well.
